Allocation of properties

Please note that our season rentals are very popular and our offerings are limited by the number of properties we have available. We do our best to be fair in the selection process, and have set the following guidelines. First, full-year (12-month, May-April) tenants are prioritised over season renters (5 months), and season renters above mini-season renters. Second, existing tenants are prioritised ahead of new tenants. Third, tenants with 2 or more seasons with TwinTips are priorities of those with one season.

Timing of allocations

April 2019: 12 month rentals. June 2019: Season rentals (1st round)

September 2019: Season rentals (2nd round), Mini-season (1st round)

October and later: Any available apartment, first come first serve.
